TAMARACK RESORT ANNOUNCES EXPANDED MOUNTAIN BIKING OPERATIONS

DONNELLY, ID (MAY 22, 2015) – Tamarack Resort is pleased to announce a new mountain biking program that will include shuttle services and bike rentals for the summer of 2015.

Beginning July 4th, Tamarack Resort will be offering shuttle serviced mountain biking to guests and homeowners. The 10 passenger shuttle will run from the Sports Dome to mid-mountain on Saturdays and Sunday through Labor Day. This unique experience will give riders the opportunity to take in 1800 feet of vertical drop per ride. It is up to each individual rider as to how many shuttle rides he or she would like to take in a day.

“The shuttle service mountain biking will begin the process of putting Tamarack Resort back on the mountain biking map. Guests have not seen this type of program at the resort since 2007 and we are very excited with this new resort offering,” said Brad Larsen, General Manager of Tamarack Resort.

Shuttle tickets and mountain bike rentals will be offered inside the Sports Dome at the resort. Both downhill and cross country mountain bikes will be available for rent and no ticket is needed unless you are looking for a ride up to mid-mountain on the shuttle.

In addition to mountain biking, Tamarack Resort offers a wide variety of activities for people of all ages. The mountain biking and hiking trails are already open for use as well as the 18-hole disc golf course. Whitewater rafting trips and zip line tours occur daily and can also be booked through the Activities Desk by calling 208.325.1030.

More information about the expanded mountain biking program and other resort amenities can be found on the Tamarack [website](http://www.tamarackidaho.com).
