Tamarack Resort and Proof Eyewear Announce Partnership

Boise, Idaho – Tamarack Resort and Proof Eyewear have announced a partnership for the upcoming winter season. Both companies take pride in Idaho’s rich heritage and recreational opportunities. The partnership forges an authentic local passion for the Gem State. Both Tamarack and Proof share similarities in the vision that they each have for Idaho’s potential and are ready to put Idaho in the spotlight it deserves.

“Personally, I’ve spent the past ten years watching Tamarack develop into this incredible resort which makes it even more exciting to be partnering with them. The resort has great vision with an exciting future ahead. We’re both young companies in comparison to others in our industries which breeds pure creativity. I love the state of Idaho and any chance we get to work with other Idahoans is great.” Tanner Dame, COO of Proof Eyewear

The partnership will provide special incentives to homeowners at Tamarack Resort, employees and customers of both Tamarack Resort and Proof Eyewear. Both companies plan to combine forces in upcoming projects to share Idaho’s homegrown story to larger audience.

“Here at Tamarack Resort, we believe that hard work and passion can achieve anything – it’s something intangible that we refer to as ‘tamitude.’ We see that same determination in Proof Eyewear, which is why this partnership is a perfect fit for the 2015-16 winter season.” Brad Larsen, General Manager of Tamarack Resort
