TAMARACK TO OPEN FOR SEASON THIS SATURDAY

DONNELLY, ID (December 9, 2014) – Tamarack Resort announced today that it will open seven days per week for the 2014-15 season this Saturday, December 13. Terrain will be limited to the Discovery beginner area and will include two to three small freestyle terrain features. Discovery area tickets are available for \$15. More terrain will be added as conditions allow.

“Thanks to our snowmaking system, we’ve been able to make snow despite challenging weather conditions allowing Tamarack to start new daily lift operations,” said David Papiez, project manager for New TR Acquisition Co. LLC (NEWTRAC), the resort’s new ownership group.

Papiez referenced the resort’s move to everyday skiing this season, a change from the past few years when the resort was open four days each week.

When operations are expanded, Tamarack will debut changes to its terrain park this year with increased acreage and features, including new rails, boxes, and tabletops ranging from 10-30 feet in size.

Other improvements include the addition of new snowcats that enhance grooming and a revitalized ski-rental fleet with brand-new equipment. Brush and undergrowth were also cleared in the offseason, improving and expanding the skiing experience

“It’s great to kick off the season at Tamarack, a perfect time for families to start getting their ski legs and do it in a friendly, family oriented atmosphere with our outstanding ski school,” added Papiez. Lifts run from 9 AM to 4 PM daily. Adult lift tickets for a full day are \$52 in season. Discovery area tickets are \$15, which applies to opening weekend.
