### FOR IMMEDIATE RELEASE

## **TAMARACK TO BECOME THE EXCLUSIVE MANAGER OF ARLING CENTER**

### *Tamarack Lodging Co. to Assume Operations of Arling Event Center in February 2016*

**DONNELLY, ID (January 8, 2016)** – Beginning on February 4, 2016, Replay Tamarack will become the exclusive property manager of the Arling Center, located at Tamarack Resort. In November 2015, Replay Tamarack announced the creation of Tamarack Lodging Company (“TLC”), the official rental management company of Tamarack Resort. TLC strives to utilize the Arling Center to foster event growth that will help build lodging occupancy and the overall vibrancy of Tamarack Resort.

“Across the board, our Food and Beverage department has already had such a huge winter thus far with the opening of Packer’s Station Warming Hut, renovations at Seven Devils Pub and a variety of other improvements. The acquisition of this event space is great news for my team as we will be the exclusive caterer for all news events at the Arling Center. It’s a beautiful space and I’ve got a lot of fresh ideas how to really deliver an over-the-top experience to guests,” said Chris Wisocki, Replay Tamarack’s Director of Hospitality.

The Arling Center is an event facility that is artfully modeled in a turn-of-the-century fashion in honor of the towns of Center and Arling, which were flooded in 1948 to make Lake Cascade. Consisting of 3 buildings: a schoolhouse, chapel, and grange, the Arling Center is has a beautiful historic look with state-of-the-art amenities. Set with a breathtaking backdrop of Lake Cascade and Idaho’s finest mountains, this facility is designed to comfortably accommodate groups from 10 to 200 people for a variety of events, including: small group meetings, tradeshow, conventions, conferences, corporate retreats, board meetings, destination weddings, family reunions and more.

###

*Tamarack Resort is a four season resort located in Donnelly, Idaho. Tamarack Resort is the Treasure Valley's closes mountain resort with snowmaking, which makes the snow conditions more reliable, even when Mother Nature doesn't deliver. During the summer, the resort is the home to mountain biking, hiking, rafting and watersports on Lake Cascade.*
