STATEMENT OF TAMARACK RESORT ON FATAL STRUCTURE FIRE

DONNELLY, Idaho (July 1, 2017) – Brad Larsen, general manager for resort services at Tamarack Resort, today released the following statement related to a fatal structure fire at a home last night.

“I speak for the whole staff and community in saying that we’re stunned and deeply saddened by the fire and loss of life. We can only imagine what their family members are going through right now.

“We are working closely with local and state agencies that are investigating the cause of the fire, and will help them in any way that we can.

“I’d like to thank the Donnelly Fire Department and the other area fire departments who provided mutual aid; the Valley County Sheriff’s Office, the Idaho State Police the and numerous other state and federal law agencies for their prompt response to this tragic situation.”
