All Idaho Skiers Invited to Tamarack Resort's End-of-Season Celebration

Resort brings back Idaho Free Day and discounted tickets for its season wrap on April 7

TAMARACK, Idaho (March 21, 2024)— Tamarack Resort is celebrating the end of the ski season with the Idaho State Pond Skim Championship, day ticket discounts, and an invite for those with season passes to any Idaho ski area to come ski for free leading up to closing day on April 7.

Tamarack's popular "Idaho Free Day" returns, providing a free, one-day lift ticket to season passholders from any other Idaho ski area. Skiers and boarders can bring their season pass from the 2023/24 or 2024/25 season to Tamarack Outfitters in The Village to receive one lift ticket per passholder between March 25 and closing day on April 7.

No season pass? No problem. Day tickets pre-purchased online between March 25 and April 7 will be \$15 for midweek and \$30 for weekends, while buying at the ticket desk will be \$30 for midweek and \$60 for weekends.

The annual Idaho State Pond Skim Championship will be held April 6, when skiers and boarders strap on their gear, don a costume and attempt to cross a freezing-cold pond without wiping out. Prizes are awarded for Best Overall Performance, Best Costume and Best Crash. For more information and to register, visit the [Tamarack Events page](#).

On April 7, the fun is extended with live music on the snow front from 1 to 3 p.m. along with extended lift hours until 6 p.m. to close out the season.

For those wanting to stay and play, [Idaho resident discounts](#) are available and all those booking vacation rentals from March 25 through April 7 will receive free day tickets for the duration of their stay.

About Tamarack Resort

Tamarack Resort is America's only ski, golf, and lake resort. The independent, all-season destination is situated on 3,600 acres, located 90 miles north of Boise, Idaho. Within its master-planned community, Tamarack offers recreation, real estate, vacation rentals, event space, and a vibrant alpine-style village. The winter brings 2,800 feet of vertical on 1,530 acres of skiable terrain in addition to Nordic and snowshoe trails. In the summer, the resort is home to golf, mountain biking, ziplining, hiking, rafting, and watersports on Lake Cascade. For more information on recreation, accommodations and real estate, visit <https://tamarackidaho.com>.
