### Friday Lineup (February 28th)

The weekend kicks off with the celebrated "piano house queen" **LP Giobbi**, known for her high-energy performances and groundbreaking work with the gender-expansive non-profit, FEMME HOUSE. Known for their groove-laden blend of funk, hip-hop, and soul, Boise trio **Free Creatures** and local Boise bluegrass band **Turtle Poppers**, will offer a fresh and dynamic start to the weekend.

### Saturday Lineup (March 1st)

**Petey** takes the headlining spot on Saturday with his genre-defying mix of indie rock, humor, and heartfelt lyrics. He is known for his eccentric performances, relatable storytelling and unhinged TikTok videos. Supporting acts include **Husbands**, the Oklahoma-based indie rock duo whose shimmering melodies and catchy hooks have earned them a loyal following, alongside Boise locals **Plum Vision**, who are experts at bringing

dreamy soundscapes to life, and **Hudson Powder Company**, a band with a sound as bold as the Idaho mountains themselves.
