TAMARACK RESORT RESALE PROPERTIES

SKI RESORT | GOLF RESORT | LAKE RESORT

Imagine a first ski run, a first fishing cast, or a first tee shot that goes on forever. That's Tamarack, where adventure is designed to be endless and every first is the first of many. It's long weekends, two-week vacations, and family-filled holiday gatherings. It's that place you come back to again and again, until it becomes more than a destination—it becomes a tradition.

If Idaho wasn't the first resort destination you thought of, you're not alone—and that's a good thing. We built Tamarack where nature told us to, at the intersection of mountain, meadow, and lake. It's a unique yet perfect combination of unspoiled nature, unexpected discovery, and year-round adventure, so you never have to take a season off.

We're in that sweet spot of being a great family-run resort that one-ups itself each year. So get in while our little piece of Idaho is still undiscovered—it may not be the case much longer.
