Big Mountain Enduro (BME) Series Roars Into Tamarack Resort This Weekend - July 11–13, 2025

TAMARACK, Idaho (July 10, 2025) – The Big Mountain Enduro (BME) series, the premier enduro mountain bike race circuit in North America, arrives at Tamarack Resort this weekend for Round 3 of its 2025 national tour. From Friday, July 11 through Sunday, July 13, the nation's top gravity athletes and rising amateurs will compete on over 35 miles of purpose-built trails across 1,700 feet of vertical in the heart of Idaho's West Central Mountains.

This marks Tamarack's first time hosting a BME race and reflects the resort's growing reputation as a premier mountain biking destination. Riders can expect fast, technical descents, natural granite features, and pro-level flow trails, making Tamarack a standout stop in the five-race 2025 series.

"Tamarack is honored to host the Big Mountain Enduro," said Kara Finley, COO of Tamarack Resort. "Our team has worked hard to build a world-class lift-served and cross-country bike park experience, and this race brings national visibility to the growing biking culture in our community. Whether you're racing or spectating, it's going to be an unforgettable weekend in the mountains."

The 2025 BME season includes five races across the western U.S., from Las Vegas to Granby Ranch. With Tamarack as the midpoint of the series, riders will look to lock in crucial results before heading to Brian Head, UT and Granby, CO in July and August.

The weekend includes open practice on Friday, a full pro/am enduro race Saturday and Sunday, and a vibrant Village at the base of the resort. Spectators are welcome, and onsite lodging, dining, and lift access will be available throughout the event.

"We are honored to be here and part of Tamarack's bright future and all of the investments that are being made in the Resort. Tamarack's terrain, crew, and commitment to trail quality make it one of our favorite stops on the BME tour. We are looking forward to bringing the BME to Tamarack for years to come" said Robert Herber, Owner and Event Director of Big Mountain Enduro.

The Big Mountain Enduro series is known for its high-level competition, live timing, and festival-style atmosphere. For more information on the Tamarack stop, including rider lists, course previews, and live updates, visit www.bigmountainenduro.com/roundthree.
