FOR IMMEDIATE RELEASE

TAMARACK RESORT LAUNCHES 26/27 ALL SEASON PASS WITH EXCLUSIVE IKON SESSION PASS BENEFIT AT LOWEST PRICE OF THE YEAR: Adult passes start at \$499; Family passes only \$999

TAMARACK, Idaho — Last week, Tamarack Resort announced the launch of its 26/27 All Season Pass, offering Idaho families and outdoor enthusiasts the lowest pass pricing the resort will offer all year. Beginning on February 26, 2026, Adult All Season Passes became available for \$499 — a savings of \$400 compared to purchasing later — and a Family All Season Pass became available for \$999, offering savings of more than \$1,000 versus in-season pricing.

Tier 1 pricing is the best rate Tamarack will offer all year. Once this pricing window closes, it will not return.

The Tamarack Resort All Season Pass provides year-round access to winter and summer lift operations, including skiing, snowboarding, lift-served mountain biking, and scenic access. Passholders receive valuable perks throughout the resort, including 10% off Sports School lessons, rentals, tuning, seasonal lockers, Elevation Studio classes, childcare, golf rounds at Osprey Meadows, and golf simulator sessions. Additional benefits include 15% off family and friends day lift tickets and 15% off vacation rental stays (up to seven nights annually, blackout dates apply). Tamarack Resort is America's only ski, golf, and lake resort, delivering an all-season lifestyle across its mountain, meadow, and lake.

On March 5th, Ikon Pass announced Tamarack Resort as its newest 26/27 Bonus Mountain, offering 2-day access at Tamarack Resort to all Ikon Pass holders (blackout dates apply: Dec 26-30, 2026; Jan 16-17, 2027; Feb 13-14, 2027). New Additions to the Tier 1 benefits list were also announced. All Season Passholders will have the opportunity to purchase an Ikon Session Pass 3-Day at 50% off the retail price. This limited-time add-on provides access to 47 destinations worldwide.

The Ikon Session Pass 3-Day is valid for the 26/27 ski season, must be redeemed by December 31, 2026, and is non-transferable for personal use only. Additional details are available at www.tamarackidaho.com/ikon-faq.

Tamarack is limiting the total number of All Season Passes sold to preserve the uncrowded, premium experience the resort is known for. Day tickets will also be limited on peak dates, making an All Season Pass the only way to guarantee access on the most sought-after days of the season.

Tier 1 pricing is available for a limited time and inventory is capped. Guests who purchase now secure the lowest rate of the year and guaranteed access for 26/27. Once Tier 1 closes, prices will increase and availability is not guaranteed.

Passes are available now at www.tamarackidaho.com/allseason.
