Tamarack Resort Opens Reservations for New Marina Boat Slips on Lake Cascade

DONNELLY, Idaho — March 26, 2026 — Tamarack Resort today announced that reservations are now open to the public for seasonal boat slips at the new Tamarack Resort Marina on Lake Cascade, offering guests and visitors a new way to experience America’s only ski, golf, and lake resort.

Beginning today, the public can reserve boat slips for the 2026 summer season, running from May 22 through September 7, 2026. Slips are available on a first-come, first-served basis and must be booked online at www.tamarackresortmarina.com.

“This is the type of addition that continues to shape Tamarack into the kind of resort experience we’ve always envisioned,” said Scott Turlington, President of Tamarack Resort. “Creating more ways for our guests and homeowners to connect with the outdoors, whether on the mountain, the golf course, or now the lake, is what this place is all about.”

A New Lakefront Experience at Tamarack

The Tamarack Resort Marina is located within the Poison Creek Unit of Lake Cascade State Park, placing guests at the center of one of Idaho’s premier recreation areas. The marina’s seasonal slips can accommodate boats up to 30 feet in length, including ADA-accessible slip rentals. Positioned just a short distance from Tamarack Resort’s Village, lodging, and Osprey Meadows Golf Course, the marina creates seamless access between lake, mountain, and resort amenities. Marina operations will run daily between Memorial Day and Labor Day.

Visitors are encouraged to explore the broader Lake Cascade State Park system, including camping opportunities at nearby state park units, creating a complete lakefront experience that extends beyond the resort.

Full-Service Marina Amenities

The marina delivers a comprehensive lakeside experience for both boaters and visitors, including:

- On-water fuel service
- A retail and rental cabana offering boating essentials and equipment
- Motorized and non-motorized rentals, including surf and ski boats, pontoon boats, personal watercraft, kayaks, paddleboards, and Hobie-style catamarans
- Dining options from Tamarack’s Mountain Bites Food Truck
- Expanded beachfront amenities, including a designated swim area, sandy beach, and sand volleyball court

In addition to seasonal slips, limited day and overnight moorage may be available for campers within the broader Lake Cascade State Park System. Boaters should call the Tamarack Resort Marina in advance to confirm pricing and availability.
